GENERAL INFORMATION
The 42nd annual Frontiers in Education Conference (FIE), sponsored by the IEEE Education Society, the IEEE Computer Society, and the ASEE Educational Research and Methods Division, will be held October 3rd – 6th at the Sheraton Seattle Hotel, Seattle, Washington. The exhibit hall will be open to attendees on October 4th from 9:00 a.m. – 5:00 p.m. and October 5th from 9:00 a.m. – 4:30 p.m.

The Frontiers in Education Conference is one of the two major international engineering education conferences offered every year. Seattle University will be this year’s host institution. Over 600 academic and industry representatives are expected to attend. Participants will include college deans, department chairpersons, faculty in engineering, engineering technology, and computer science, as well as industry leaders from throughout the country and the world. The majority of the attendees, however, are computer science, engineering and engineering technology faculty.

The Frontiers in Education exhibits have become a very popular and rewarding tradition for both attendees and exhibitors. To insure maximum exposure, the exhibits and the refreshment breaks will be located in the same space. A special "Focus on Exhibits" session is planned for the afternoon of Friday, October 5th.

In the past several years, booth space has been very popular, with a high percentage of exhibitors returning.

WHO SHOULD EXHIBIT
• Publishers – display your computer science, engineering, and engineering technology textbooks, engineering education related textbooks, and associated software on technical writing and new multimedia technologies.
• Computer Software and Hardware Companies – demonstrate your latest products to your most consistent users.
• Lab Equipment Companies – present your latest equipment for all engineering fields. Attendees will represent most engineering disciplines.
• Manufacturers and Consulting services – introduce state-of-the-art equipment, tools, and programs geared to educators.
• Professional Societies – provide assistance and offer new techniques in engineering and engineering education.

BOOTH RENTAL INFORMATION

FOCUS ON EXHIBITS

Attendees and participants will be encouraged to visit the exhibit area throughout the conference. In order to provide full exposure for the exhibits, a special “Focus on Exhibits” session is planned for the afternoon of Friday, October 5th, during which time there will be no technical sessions scheduled. For additional exposure during the “Focus on Exhibits” session, please consider donating one of your company’s products to be given away as a door prize.

EXHIBITOR SHOWCASE

Again this year, FIE will offer an “Exhibitor Showcase” that provides companies a longer block of time for demonstrations or presentations. This is an excellent opportunity to invite faculty members who are using your product to explain their applications to other educators. A list of the Exhibitor Showcase sessions will be distributed to conference attendees as part of the registration packet and posted in the exhibit area.

The Exhibitors Showcases will be held on Thursday, October 4th and Friday, October 5th in a meeting space within the exhibit hall. Up to six (6) 1½ hour sessions will be available this year. If you are interested in participating in the Exhibitor Showcase, please contact Prof. Robert Hofinger. There will be a $200 charge for each Exhibitor Showcase, to cover the cost of room set up and the audio/visual equipment (a data projector and a screen).

SPONSORSHIPS

For even more exposure, consider becoming a Corporate Affiliate. Affiliate monies in the past have funded conference events such as plenary speakers, breaks, lunches, receptions, and the rental of audio/visual equipment. Another option is to donate give-away items (with your company logo) for inclusion in the registration packet or as a door prize for the “Focus on Exhibits” session. Appropriate recognition will be given on the FIE web site, in conference publications, and signage at the conference. Corporate Affiliates also will be recognized during the conference luncheons.

Corporate Affiliate support for the conference in previous years has ranged from $500 to $10,000. If your organization cannot afford full support of an activity, we would welcome any support, be it financial or otherwise. In addition to the participation and communication advantages listed above, Corporate Affiliate support helps to keep registration costs low, enabling more attendance and enhancing further growth of the Frontiers in Education Conference.

You may become a Corporate Affiliate by simply checking the appropriate box on the Exhibit Space Application/Contract and indicating the amount and desired use of your funds. If you are interested in a larger or customized sponsorship, please call the assistant to the General Co-Chairs, Kevin Curry, at the number below, to discuss available opportunities.

Operation of objectionable material and sound devices will not be allowed. Aisles must be kept clear. The Exhibits Chair reserves the right to transfer booth locations in order to solve competitive conditions, avoid similarity in firm names, or to effect a more uniform distribution of space.

Exhibitors must use materials that will pass local fire inspection regulations. Drapes and curtains must be flameproof. Volatile liquids, gases, or combustible substances may NOT be present. All electrical work must be arranged through the show decorator or the Seattle Sheraton Hotel personnel, in order to insure compliance with local regulations.

All of the rules and regulations mentioned are to be construed as a part of the space rental contract. The Exhibits Chair reserves the right to interpret them, as well as make final decisions on points these rules do not cover.

LIMITATION OF LIABILITY

Neither the sponsors, (ASEE, IEEE, Seattle University) nor the Seattle Sheraton Hotel nor any of their officers, agents, employees, or other representatives shall be held liable, and they are hereby released from liability, for any damage, loss, harm, or injury to the person or property of the Exhibitor or any of its officers, agents, employees, or other representatives, resulting from theft, fire, water, accident, or any other cause. The Exhibitor shall hold the Seattle Sheraton Hotel harmless from, any and all claims, demands, suits, liability, damages, loss, attorney's fees, and expenses of whatever kind or nature, which might result from or arise out of any action or failure to act on the part of the Exhibitor or any of its officers, agents, employees, or other representatives. It is suggested that all Exhibitors provide for their own floater insurance coverage, protecting themselves against damage, loss or theft.

SECURITY

The exhibit area will have a security guard in attendance when the reception area is not open. For your own security, the conference recommends that exhibitors should keep an attendant in their booth(s) during the hours the exhibits are open and remove valuable equipment when the exhibits are closed.

REFUNDS/CANCELLATIONS

Exhibit space assigned and confirmed may be cancelled without penalty through August 10, 2012. Exhibit space cancelled after August 10, 2012 and until September 4, 2012 will be subject to a 25% cancellation fee. After September 4, 2012 no refunds will be made.
